

Junior Golf SCOREBOARD

RANKED TOURNAMENT

As a Junior Golf Scoreboard Ranked Tournament, our junior players will have the opportunity to build a national ranking by playing in The First National Bank Junior Tour. The results of our tournaments will be posted on their website. Please go to their website and read about them to further your own knowledge.

In order to be eligible for the Junior Golf Scoreboard Rankings, golfers must compete in the tournaments as they are combined below.

- ❑ Carroll Meadows and Cambridge Country Club will be combined as The First National Bank Junior Tour Kickoff Classic
- ❑ Zoar and Oak Shadows will be combined as The First National Bank Junior Tour Zoar Oak Tournament
- ❑ Belmont Hills Country Club and Hickory Flats will be combined as The First National Bank Junior Belmont Hickory Tournament
- ❑ Wilkshire and River Greens will be combined as The First National Bank Junior Tour Season Finale

This will not affect the awards handed out for the champions and runner-ups at each individual tournament. We are simply combining these events to create a 36-hole event so we can meet the requirements for the Scoreboard Rankings.
